**Rio Grande Missions
Pharr United Methodist Church
PO Box 626
Pharr, Texas 78577**

Considering a short-term mission trip for your group?

The Rio Grande Valley of South Texas and Northern Mexico provides ample opportunities for meaningful service. Hidalgo County, Texas, home of the Pharr United Methodist Church has the highest poverty rate of any county in the United States. Sixty percent of adults living in this area do not have a high school education. Many live in substandard housing and few have access to adequate health care..

Let us help you help others ...

We can design a custom mission experience to fit the gifts and talents of your group. All you need to do is pack your bags and show up. We will take care of the details.

Reasonable Rates...

We work hard to insure your trip will be as cost effective as possible. We care about people not profits. For groups of ten or more the per person cost starts at \$165 for five nights including lodging, meals, ground transportation and worksite coordinator.
